II. Notice

Please be advised that no impact fees credit will be granted in the following cases:

1. No credit shall be granted for any costs, contribution, payment, construction, or land received by Indian River County or any municipality participating in the County's Impact Fee program where such costs were incurred or contribution made in relation to development for which a building permit was issued prior to July 1, 2005.
2. No credit shall be granted for any costs, contribution, payment, construction, or land received by Indian River County or any municipality participating in the County's impact fee program if said costs, contribution, payment, construction, or land dedication is received or made before a credit agreement is approved by the County Administrator or his designee and is fully executed by all applicable parties.
3. No credit shall be given for site-related improvements or site-related land dedications.

4. No credit shall be given for improvements or land dedications unless such improvement(s) or dedication(s) meets an expansion need of the County as identified in the County's five (5) year capital improvements program (CIP), the School Board's educational facilities plan (EFP), or adopted municipal capital improvement program.
